

CORPORATE

“Let’s Party! Let’s Celebrate!”

The Cheung Kong Group launched a summer-long celebration of the 20th anniversary of the establishment of the Hong Kong Special Administrative Region (HKSAR). Companies across the group are celebrating through contests to send lucky Hong Kong customers to Beijing (A S Watson Group companies), a music jam party (Cheung Kong Property), a shipping container graffiti art competition (Hongkong International Terminals) and half-price champagne (Watson’s Wine) starting 1 July – the big day! Happy 20th birthday to the HKSAR and her people!

PORTS

“WE’RE-HOUSING” TOGETHER!

On 20 February, Hutchison Ports SITV and Cargill Vietnam co-organised a groundbreaking ceremony to mark the commencement of a joint partnership warehousing project.

LIKE LIGHTNING!

On 17 January, Hutchison Ports Pakistan set a new productivity record for Karachi, handling 1,666 moves in under 17 hours while servicing the 6,200-TEU *MSC Lucy*. The vessel operating rate was 129 moves per hour, the berth productivity rate was 102 moves per hour and the gross crane rate was 27.8 moves per hour. A total of 2,634 TEUs was handled!

NEW RAIL SERVICE FROM BARCELONA

Hutchison Ports BEST launched its first rail service connecting Barcelona, on the Mediterranean, to Miranda de Ebro in northern Spain. Launched on 14 March, this service is managed by Hutchison Logistics Spain.

HUTCHISON PORTS TO OPERATE NEW STOCKHOLM PORT

Hutchison Ports signed a formal agreement with Ports of Stockholm on 17 February that will see the firm operate Stockholm Norvik Port once construction is completed. The new port, located 60km south of the Swedish capital, will have better access, deeper water and greater capacity than the city-centre facilities it will replace.

U-CAN UKRAINE! HUTCHISON PORTS ON THE BLACK SEA

Hutchison Ports Europe has signed a memorandum of understanding (MOU) to develop container terminal facilities at Chornomorsk, one of the largest ports on the Black Sea.

CK HUTCHISON RANKS TOP IN ANNUAL REPORTS AWARDS

CK Hutchison Holdings ranked top of the MERCURY Awards for Annual Reports: Overall Presentation – Diverse Business. The awarding body described all facets of the CKHH annual report as exceptional and enthusiastically praised the persuasiveness of the Chairman’s Statement and the presentation of financial information. There were 670 entries overall from 21 countries, making last year’s annual report truly “World Class”.

LAB WORK HEATING UP ONLINE GROWTH

eLab's second-year anniversary had something extra worth celebrating: a 47 per cent increase in e-commerce sales for AS Watson Group (ASW) in 2016. Its digital enhancements deliver a laser-like focus on customer needs – and strong results!

ASW'S 47 FINEST

ASW's Global Store Team Awards honoured the 47 best store teams from its 13,300 store network across Asia and Europe. Congratulations!

#GETACTIVE

Over 46 million customers around the world are going to get moving with ASW's Global Health Campaign. Health-themed activities such as outdoor sports challenges, in-store activities and social media education campaigns will connect its outlets to customers by encouraging them to #GetActive!

A SOLID CORE IN THE KLOUD

A big bet on big data, artificial intelligence (AI) and machine learning will see ASW invest USD70 million to improve operational efficiency and customer experience. Toronto company Rubikloud is partnering with ASW to deploy Rubicore to enable the application of AI technology within the ASW data network.

TELECOMS

The Cutting Edge: 3 Group and Razer

3 Group is the first mobile network operator to collaborate with the world-leading gaming hardware, software and e-currency platform, Razer. The partnership will co-promote mobile devices, tariff plans, and Razer's gaming products including in-game currency Razer zGold. Together, they will reach the top e-sport athletes and 2.3 million Razer gamers on the 3 platform.

Hutchison Mobile Enabling Solutions

THE IOT IS HERE - WITH HUE

Hue, 3 Group's mobile-enabling services division, has teamed up with Jasper Cisco to enable corporate customers to provide Internet of Things (IoT) services in the cloud. High internet speeds, flexibility and control of networks available through the partnership will power IoT capabilities for connected car, building automation and security, and transportation and logistics services.

RECYCLED MEANS RECONNECTED

3 UK recently announced "Reconnected", a corporate social responsibility (CSR) initiative that encourages customers and staff to trade in their old handsets. Partnering with a number of charities, these handsets are then bundled with unlimited network access for three months, and distributed to people who need them most, such as the unemployed seeking work or veterans of the armed forces.

The coming 5G era will enable virtual reality, augmented reality, and Internet of Things applications.

KNIGHT RIDER AND BAYWATCH STAR FOR 3 DENMARK!

A man, a dog and a Pony are all parts of the latest 3 Denmark ad campaign. The man is TV star David Hasselhoff, backed up by the 3 dog and the music from "Pony" by Ginuwine. "The Hoff" cruises LA and talks about 3 Denmark in this quirky ad series, a smash hit with the Danes!

3 HONG KONG GEARS UP FOR 5G ERA

The coming 5G era will enable virtual reality, augmented reality and IoT applications, driving data usage to new heights. 3 Hong Kong recently announced its plans for a series of network upgrades. Trials have been carried out for various technologies, such as small cell installations, network cloudification and Massive MIMO. These efforts will enable the timely launch of services to cope with the surge in data volumes in the new 5G era.

WE WON!

Six uSwitch awards voted on by consumers were won by 3 UK this year: Best Network for Data Pay, Monthly Retailer of the Year, Best Pay Monthly Provider, Best for Roaming, Best Online Retailer and Best SIM-only Retailer.

3 UK also won Mobile Network of the Year 2016 at the Trusted Reviews Awards, Best Network Customer Service at the Mobile News Awards and Most Recommended Network. It was also rated number 1 for Mobile Internet by YouGov consumer polling. Champion form in all instances!

WIND TRE'S LOFTY AMBITIONS IN ITALY

The first Wind Tre dealer convention was held on 19 and 20 February in Rome's latest architectural marvel, the newly opened La Nuvola. The architectural vision expressed by La Nuvola matches that of Wind Tre, which expressed its ambition to become Italy's number one mobile operator. Around 1,700 guests took in the new convention centre – and Wind Tre's vision for the future.

INFRASTRUCTURE

POWER FIRST - LAUNCH OF EMERGENCY PACK

UK Power Networks launched a new emergency pack that will help consumers on its Priority Services Register in case of a power cut. Although outages are rare, they still happen occasionally, and can be worrying for vulnerable people. The new pack contains helpful items such as a plug-in-the-wall torch that automatically switches on when there is a power cut, a glow stick, and a storage bottle where people can keep vital information in case of an emergency.

SHADOWY, GREENY ENGINEERS AT HK ELECTRIC

The top three “Happy Green Community Ambassadors” selected under HK Electric’s Smart Power Campaign shadowed the company’s environmental engineers and worked at its headquarters and Lamma Power Station early this year.

OTHERS

Chi-Med first Phase III trial success

Hutchison China MediTech (Chi-Med) announced positive results for a Phase III clinical trial of Fruquintinib in colorectal cancer patients. This marks a huge development for Chi-Med after 15 years of investment and research. It is the first ever home-grown, Chinese-discovered and developed drug in a mainstream therapeutic area (i.e. a major cancer) to get through Phase III trials in China. Colorectal cancer is the second most common cancer in China, with about 380,000 new cases per year.

BAGS OF KINDNESS

“Giving Back to the Community”, a theme that is part of Park’N Fly’s CSR strategy, saw caring employees support the Ronald McDonald House Charities. Team members from across Canada visited Houses in Vancouver, Edmonton, Winnipeg, Toronto, Ottawa and Montreal to help support over 650 families by assembling snack bags filled with goods and non-perishable food items. The snack bags were a welcome and healthy treat for families attending to their seriously sick kids in hospitals.

BEST PLACE TO WORK - THREE YEARS RUNNING!

UK Power Networks was one of the top 30 best companies to work for in the country, for the third straight year. The rankings, based on a detailed employee survey, show UK Power Networks’ ability and capacity to put their employees first and to involve employees in the community. The power company has also won the “Utility of the Year” title for the second year in a row, and the third time since 2012, which is unprecedented in the industry.

OTHERS

WEVOW, WE WIN

ESDlife was the winner of the “Best App – Creative Design” Bronze Award at the Mob-Ex Awards for its newly launched, all-in-one, wedding planning app WeVow. WeVow is a unique app that aims to offer stress-free solutions for the big day. Brides and grooms can focus on the memorable moments of their special day, knowing that WeVow is there for them!

METRO'S LOVE FOR THE ELDERLY

The Helping Hand Cookie Campaign 2017 was successfully concluded in February in bustling Causeway Bay in Hong Kong, with Metro Broadcast as the media partner. Popular local performing artists took part in the campaign to encourage public volunteerism. Helping Hand is a Hong Kong charity assisting more than 800 senior citizens under its residential care services.

ENERGY

Husky: far from home

The Asia Pacific Region continues to hold great potential for Husky Energy, with four natural gas developments targeted in the Madura Strait, offshore Indonesia. The Madura BD Gas Project is expected to ramp up to a target of 40 million cubic feet per day during the second half of 2017.

Furthermore, the Canadian company is drilling about 150 km southeast of Hong Kong in the South China Sea. Husky Energy expects to drill two exploration wells in the shallow water block during 2018, in conjunction with two planned exploration wells in the nearby exploration block.

INFRASTRUCTURE

HELPING KIDS KICK OFF EVERY DAY RIGHT

Australian Gas Networks used the power of sport to collect over 1.23 tonnes of tinned fruit and AUD8,000 for children. Partnering with Foodbank South Australia and The Port Adelaide Football Club, they challenged over 53,000 fans to donate at the first Australian Football League showdown match of the season. The aim was to support families struggling to make sure their children have a healthy breakfast.

TELECOMS

4G, 3 MONTHS, 227 CITIES

Reaching out to millennials, 3 Indonesia rolled out 4G coverage in 227 cities in a three-month period to encourage high-speed data usage across all walks of life. A creative communication campaign called “Berani” (Do You Dare?) was launched to drive the millennial market to adopt upgraded speeds and experience higher data usage on the network. 3 Indonesia is also supporting the government’s commitment to provide reliable high-speed access to the entire population by accelerating its broadband roll-out.
