

Auditors (Finance) - Group Management Services Department

(Ref: GMSFIN/CKHH)

Reporting to the Group Finance Director, the Group Management Services Department is responsible for the internal audit and information security functions of the Group. The department is also an excellent training ground for future careers in finance and general management within the Group's operating companies.

With the rapid growth in our global operations, we are seeking highly motivated individuals with good business sense to join us as Senior Officer (Finance).

Requirements:

- University graduate with HKICPA / ACCA or equivalent professional qualifications
- 3-5 years' external / internal audit, business consulting or operational experience, experiences with Big 4 are preferred
- Good business acumen

Candidates should be a good team player. Fluency in English, Cantonese and Putonghua are expected, while additional language skills will be a definite advantage.

The above positions offer ample opportunities for overseas travel and exposure to a variety of cultural environments.

Salary and benefits will commensurate with experience and competence. Please forward detailed resume with indication of expected salary quoting our reference to **recruit@ckh.com.hk**
