長江和記實業有限公司
CK HUTCHISON HOLDINGS LIMITED
(A limited liability Cayman Islands company registered and listed in Hong Kong)

Application Developer

(Ref.: AD/CKHH)

The Group Information Services Department, located in Hunghom, strives to serve the IT needs of Head Office and is responsible for co-ordinating IT-related services within CK Hutchison.

Responsibilities:

- Participate in the full system development life cycle, from requirements analysis, system design and development to testing, implementation and production support
- Contribute to cloud application implementation, enhancement and upgrade projects
- Provide ongoing support for Oracle E-Business Suite or Oracle Fusion Cloud, and other enterprise applications

Requirements:

- Bachelor's degree in computing or a related discipline
- A minimum of 3 years of solid experience in Oracle E-Business Suite or Fusion Cloud applications, such as ERP or SCM, or equivalent enterprise applications
- Familiar with application setup and operation flow
- Knowledge of and experience in UiPath would be an advantage
- A good team player with strong interpersonal and communication skills and a positive "can-do" attitude
- Adaptable and willing to learn and embrace new technologies
- Detail-oriented, responsible, and able to work independently with minimal supervision
- Good command of both written and spoken English and Chinese

Salary and benefits will be commensurate with experience and competence. Please forward detailed resume with indication of expected salary quoting our reference to **recruit@ckh.com.hk**
