長江和記實業有限公司
CK HUTCHISON HOLDINGS LIMITED
(A limited liability Cayman Islands company registered and listed in Hong Kong)

Systems Administrator

(Ref.: SADMIN/CKHH)

The Group Information Services Department, located in Hunghom, strives to serve the IT needs of Head Office and is responsible for co-ordinating IT-related services within CK Hutchison.

Responsibilities:

- Administer and support Oracle EBS and Fusion Cloud applications, providing day-to-day application support and resolving application-related issues and requests
- Manage application users, roles, responsibilities, and access controls, ensuring appropriate authorization and compliance with established security policies and standards
- Perform and maintain core application configurations, ensuring consistency with established standards and preventing deviations from the foundational solution design
- Monitor and troubleshoot application processes, interfaces, scheduled jobs, reports, and integrations, while supporting patches, upgrades, quarterly releases, testing, and deployments
- Support internal and external audit activities, including access reviews, evidence preparation, control verification, audit queries, documentation, and remediation follow-up

Requirements:

- Bachelor's degree in computing or a related discipline
- 3-5 years of experience in supporting enterprise applications, preferably Oracle E-Business Suite and Oracle Fusion Cloud environments
- Hands-on experience in application administration, user access management, security roles, configuration, and day-to-day operational support
- Experience in troubleshooting application issues, integrations, interfaces, scheduled jobs, reports and coordinating resolution with technical teams
- Working knowledge of Oracle application security, integrations, SSO, APIs, patches, upgrades, quarterly releases, testing, and production deployments
- A collaborative team player with strong interpersonal skills, initiative, and a proactive working attitude
- Adaptable and willing to learn and embrace new technologies and solutions
- Detail-oriented and accountable, with the ability to deliver quality work within established schedules and deadlines
- Good command of both written and spoken English and Chinese

Salary and benefits will be commensurate with experience and competence. Please forward detailed resume with indication of expected salary quoting our reference to **recruit@ckh.com.hk**
