

## MAKING HISTORY

**SINGAPORE** With its March debut on the Singapore Stock Exchange, Hutchison Port Holdings Trust (HPH Trust) became the world's first publicly-traded container port business trust. Its portfolio includes controlling interests in deep-water container port assets in two of the world's busiest container port cities by throughput—Hong Kong and Shenzhen. This new public vehicle will enable investors to take full advantage of the economic and trade growth in the South China region. **P**

## Smart Pit Stop

**HONG KONG** 3 Hong Kong provided smartphones with free local voice and data to the eight finalists in Cathay Pacific Airways' "Travel the World in 80 Days Competition". While in Hong Kong, they used their smartphones to locate and visit the 3 Concept Store in Central. **T**

## SUPER ACHIEVER

**UNITED KINGDOM** Superdrug has entered the ranks of the UK's top five retailers. According to a poll of 6,000 consumers by independent Verdict Research, it was ranked fourth overall and first in the health and beauty market. **R**

## I Love Hong Kong — Language of Love

**HONG KONG** Volunteers from across the Hutchison Group learnt how to make salted duck eggs when they accompanied children from the Yan Oi Tong Community Support Centre on a field trip to Tai O as part of a programme to encourage use of English. The picturesque village, with its stilt houses and disused salt pans, once thrived by trading salt as well as by fishing. **G**

## Powering Up

**HONG KONG** Cheung Kong Infrastructure Holdings Limited and Power Assets Holdings Limited upped their stake in the Meridian Cogeneration Plant in Saskatchewan, Canada, from less than 25 per cent to 100 per cent. The deal underscored the expanded role of Power Assets as a global investor in the power and utility business. **I**

## CAT WALK

**MAINLAND CHINA** A trendy new version of the iconic Mainland cleaning brand Whitecat, a Hutchison joint venture in Shanghai, was on the prowl during the city's recent Fashion Week. Whitecat, a partner at the event, took the opportunity to showcase its younger, more fashionable image, as well as its commitment to go green. **I**

## The Human Factor

**INDIA** Hutchison Global Services has renamed Spirit of 3, its corporate social responsibility arm, Human First. A priority is to raise funds for educational centres for underprivileged children, run by the Mumbai-based Akanksha Foundation. **T**

## SCREEN QUEST

**GLOBAL** Someone in a Hutchison office somewhere in the world is to have his or her design for a computer wallpaper that promotes a green office environment adopted by PCs across the Group. HWL is organising a worldwide contest, with a surprise gift for the designer of the winning art piece. Dimensions should be 1280 x 1024 pixels. You can enter before 31 August via [SphereE@hwl.com.hk](mailto:SphereE@hwl.com.hk) or mail to Hutchison House, 22nd Floor, 10 Harcourt Road, Central, Hong Kong (Attn: Eco-wallpaper contest). The result will be announced a month later. **C**

## BUMPER YEAR

**CANADA** Employees at Husky's refinery in Lloydminster have reason to be proud. They recently turned an average year into an exceptional one, setting new records for monthly and annual crude throughputs, as well as asphalt shipments. **I**

## TALLER, STRONGER

**MAINLAND CHINA** Huizhou International Container Terminals has three new super cranes. With a reach of 63 metres and lifting height of 43 metres, they can serve the latest generation of container ships and lift two 20-foot containers simultaneously. **P**

## Even Cleaner

**INDONESIA** 3 Indonesia has expanded its pioneering use of clean energy hydrogen fuel cells to 472 base transceiver stations, up from 210 at the end of 2009. **T**

## SMART AND GREEN

**HONG KONG** HK Electric launched a smartphone application that offers practical tips on how to go low-carbon anywhere, anytime. Customers who use the application to register for electronic bills are eligible for a one-off tariff rebate. **I**

## Tale of Two Cities

**MAINLAND CHINA** From Chongqing in the southwest to Tianjin in the north, interested parties flocked in mid-May to the same-day launch of two Hutchison Group property developments. Chongqing Coral Plaza, with stunning views of the Yangtze River, offers 720,000 square feet of high-end mall space. Metropolitan Heights in Tianjin is among the luxury residential offerings of The Metropolitan complex. **H**

## Cultivating Loyalty

**NETHERLANDS/UNITED KINGDOM** Kruidvat and Superdrug launched their first customer loyalty cards. With the Superdrug Beauty Card, which doubles as a handy, purse-sized mirror, customers can earn points both online and in-store. Customers can also use the points to part-pay for products. Kruidvat's loyalty card offers deals that are specific to each customer. **R**

## COUNTY CHAMPIONS

**UNITED KINGDOM** Hutchison's Port of Felixstowe has notched up a double environmental achievement: winner of Suffolk County Council's "Creating the Greenest County Awards", and of its coveted Business Culture Award for the port's efforts to address environmental impacts with its 2,500 employees. **P**

## NATURALLY GOOD

**HONG KONG** Hutchison Hain Organic, a joint venture with a leading US organic products company the Hain Celestial Group Inc, helped to promote natural and healthy eating through Organic Day, a popular event organised by the Hong Kong Organic Resource Centre. **I**

## WALKING THEIR TALK

**HONG KONG** More than 2,500 A S Watson employees, family members and friends took up the cause to “Bring More to Life” by joining The Community Chest’s New Territories Walk for Millions. They raised over HKD628,000. **R**

## Most Admired

**CANADA** Hutchison associate Husky Energy has been named one of the World’s Most Admired Companies in the mining and crude oil production industry category in an annual ranking published by Fortune Magazine. Husky was ranked eighth overall in its industry. **I**

## PERSONAL HOT SPOTS

**AUSTRIA/ITALY** 3 in Italy and Austria have introduced two personal Wi-Fi products that enable broadband internet connections for multiple devices under their 3G coverage. Both products are free upon subscription to 3’s special internet offers in those countries. **T**

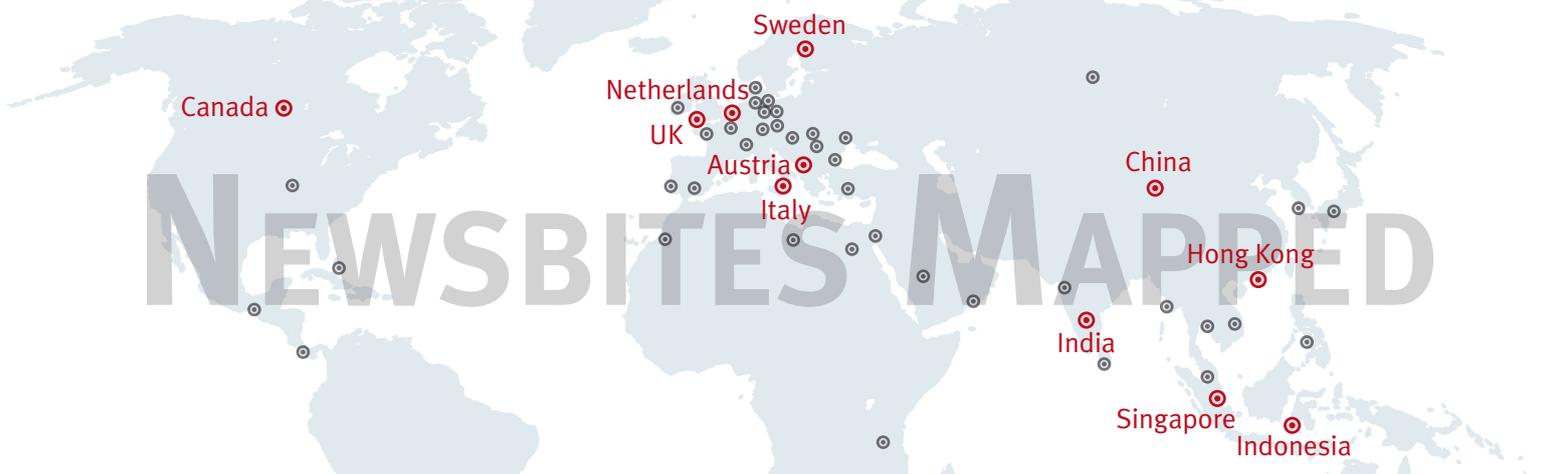

## Customer Comfort

**SWEDEN** 3 Sweden has introduced 3 LiveShop, providing access to an actual person for customers who are confused when buying service plans or products online. They can communicate with sales staff through a chat service or by a video call. **T**
