Watson Group (a member of the Cheung Kong Group) in 1989. It aims to encourage young people to participate in athletics. The Club has trained a number of elite athletes since its inception, with many going on to represent Hong Kong on the world stage.

During the Hong Kong leg of the Olympic Torch Relay, torchbearers from the Cheung Kong Group included: Mr Victor Li, Managing Director and Deputy Chairman of Cheung Kong; and Mr Peter Wong, Chief Executive Officer of Hutchison Telecommunications (Hong Kong) Limited, who was nominated by Olympic sponsor, Samsung. Members of the Watsons Athletic Club also participated in the event, including Ms Tania Mak, a Hong Kong triathlon athlete, and 13 other members were torchbearer assistants.

The Elite Athlete Charitable Trust was established by the HKEAA. The HKEAA believes that athletes, as a group, not only excel on the sports field, but can also make significant contributions to the community.
