Sheraton Shenyang Lido Hotel Welcomes Chief Executive Donald Tsang

(25 July, 2008 – Hong Kong) – A Hong Kong business delegation, led by the Chief Executive of HKSAR, Mr Donald Tsang, has been on a tour of Shenyang City in Liaoning Province for the past two days. The delegation stayed at the Sheraton Shenyang Lido Hotel, a hotel owned by Cheung Kong (Holdings) Limited, whilst in Shenyang and continued their visit to Anshan and Dalian today.

The Shenyang tour represents part of an 8-day itinerary, which commenced on 19 July, to enable the 100-strong delegation of Hong Kong business leaders to explore collaboration opportunities and forge closer partnerships between Hong Kong and the Mainland's three northeast provinces. Prior to arriving in Shenyang City, the delegation also visited Heilongjiang Province and Jilin Province.

Speaking at the Hong Kong–Liaoning Business Co-operation Symposium held in Shenyang City, Mr Tsang noted that total investment from Hong Kong ranked first among investors in Liaoning Province and that Liaoning was the preferred choice among the three northeast provinces for Hong Kong investors. A successful case of Hong Kong investment in the province is the Sheraton Shenyang Lido Hotel, which served the delegation the past two days.

Sheraton Shenyang Lido Hotel celebrated its soft opening in 2002. As a result of its prime location, comprehensive facilities and quality services, the hotel has won many awards, including the “2008 Most Favorite Business Hotel in Northeast China” award (in the 5th “Golden Pillow Award of China Hotels” competition organized by China’s renowned financial publication “21st Century Business Herald” and “Business Travel” magazine); as well as named one of “China’s Best Business Hotels” in “Forbes” magazine last year, representing the only hotel in Shenyang on the list.

The Sheraton Shenyang Lido Hotel is one of the largest 5-star hotels in Shenyang city, offering 590 guest rooms and suites. Situated on the famous Qingnian Street, the hotel is just 15 minutes from the city centre, the railway station and Taoxian International Airport. Sheraton Shenyang Lido Hotel is elegantly decorated and well-equipped with a clubhouse and dining facilities, a business centre and multi-function rooms for up to 600 guests.
