**Cheung Kong Named Highest Fund Raising Corporate Team
in the MTR HONG KONG Race Walking 2011**

Cheung Kong (Holdings) Limited (“Cheung Kong”) was named the Highest Fund Raising Corporate Team in this year’s MTR HONG KONG Race Walking event. This represents the fourth time that Cheung Kong has received such recognition.

At the prize presentation ceremony, Mr Dennis Chan, Project Manager, Development of Cheung Kong, received the Award from Mr C K Chow, Chief Executive Officer of MTR Corporation.

To support the event, Cheung Kong formed a “Festival City II” team. Members of this energetic team were dressed in sharp red, resembling the enormous potential of Festival City, the residential project on top of Tai Wai MTR Station.

The MTR HONG KONG Race Walking 2011, co-organized by the MTR Corporation and the Hong Kong Amateur Athletic Association, aims to arouse awareness for health and sports, and raise funds for the Hospital Authority Health InfoWorld.
