Press Release

92 Cheung Kong Group Members Awarded “Caring Company Logo”

Highest Number of Participating Companies for a Corporation for 8 Consecutive Years

A total of 92 member companies of the Cheung Kong Group have been awarded the “Caring Company Logo” by the Hong Kong Council of Social Services (HKCSS) this year. This represents the highest number of participating companies for a corporation, a record maintained by the Cheung Kong Group for 8 consecutive years.

Of the 92 Cheung Kong Group member companies that were awarded the “Caring Company Logo”, 30 companies were awarded the “5 Years Plus Caring Company Logo”, while 21 were awarded the “5 Consecutive Years Caring Company Logo”. Power Assets Holdings Limited, a member of the Cheung Kong Group, also received the “Total Caring Award”.

As a multi-national conglomerate headquartered in Hong Kong, the Cheung Kong Group has always endeavoured to nurture community spirit by encouraging its member companies to engage in charitable activities of all kinds and to foster close relationships with the community.

The HKCSS Caring Company Programme aims to create a cohesive society through cultivating good corporate citizenship and building strategic partnership amongst business, public and non-profit organizations. The programme rewards organizations that demonstrate a commitment in caring for the well-being of the community, their employees and the environment.
