### **Press Release**

## **Cheung Kong Group Named One of Community Chest's Top Three Donors for 12th Consecutive Year**

### **Six Group Members Received Individual Recognition**

The Cheung Kong Group was named Second Top Donor of the Year at The Community Chest 2010/2011 Annual Presentation of Awards today, maintaining its mantle as a Top 3 Donor for the twelfth consecutive year. This accolade reflects the Cheung Kong Group's longstanding support and commitment to The Community Chest.

An award was presented by Mrs Selina Tsang, President of The Community Chest, to Mr Andrew Hunter, Chief Financial Officer of Cheung Kong (Holdings) Limited, who represented the Group at the awards presentation ceremony (see photo 1).

In addition, six members of the Cheung Kong Group received individual recognition for their contributions to The Community Chest: Hutchison Whampoa Limited, Power Assets Holdings Limited and Fortune REIT were presented with the President's Award; Cheung Kong (Holdings) Limited and A. S. Watson & Co., Limited were presented with the Award of Excellence; and Cheung Kong Infrastructure Holdings Limited was presented with the Award of Distinction (see photo 2).

The Cheung Kong Group has been backing The Community Chest for years not only by making donations, but also by appealing to the public for their contributions. A donation hotline was launched again by the Group last year to raise money for The Community Chest's "Cheung Kong" Rainbow Fund. All contributions made through the hotline by the public were matched dollar-for-dollar by the Cheung Kong Group. During the year, members of the Group participated in a number of fund-raising campaigns organized by The Community Chest, including Corporate and Employee Contribution Programme, Walk for Millions, Dress Special Day and Laisee for The Chest.
