Press Release

Cheung Kong Group Named One of
Community Chest's Top Three Donors for 13th Consecutive Year

Six Group Members Received Individual Recognition

(June 14, 2012 – Hong Kong) The Cheung Kong Group was named Third Top Donor of the Year at The Community Chest 2011/2012 Annual Presentation of Awards today, maintaining its mantle as a Top 3 Donor for the 13th consecutive year. This accolade reflects the Cheung Kong Group's longstanding support and commitment to The Community Chest.

An award was presented by Mrs Selina Tsang, President of The Community Chest, to Mr Andrew Hunter, Deputy Managing Director of Cheung Kong Infrastructure Holdings Limited, who represented the Group at the awards presentation ceremony (see photo 1).

In addition, six members of the Cheung Kong Group received individual recognition for their contributions to The Community Chest: Hutchison Whampoa Limited, Power Assets Holdings Limited and Hui Xian REIT were presented with the President's Award; Cheung Kong (Holdings) Limited and A. S. Watson Group were presented with the Award of Excellence; and Cheung Kong Infrastructure Holdings Limited was presented with the Award of Distinction (see photo 2).

The Cheung Kong Group has been giving support to The Community Chest for years not only by making donations, but also by appealing to the public for their contributions.

In May 2012, during the programme "Community for the Chest on TV", a donation hotline was launched again by the Group to raise money for The Community Chest's "Cheung Kong" Rainbow Fund. All contributions made through the hotline by the public were matched dollar-for-dollar by the Cheung Kong Group, raising a total donation of HK$ 6.3 million.

During the year, members of the Group also participated in a number of fund-raising campaigns organized by The Community Chest, including the Corporate and Employee Contribution Programme, Walk for Millions, Dress Special Day, Greening for The Chest and Laisee for the Chest.
