5 Group Members Received Individual Recognition

(June 25, 2013 – Hong Kong) The Cheung Kong Group was named Third Top Donor of the Year at The Community Chest 2012/2013 Annual Presentation of Awards today, maintaining its mantle as a Top 3 Donor for the 14th consecutive year. This accolade reflects the Cheung Kong Group's longstanding support and commitment to The Community Chest.

An award was presented by Mrs Regina Leung, President of The Community Chest, to Mrs Wendy Tong Barnes, Chief Corporate Affairs Officer of Cheung Kong (Holdings) Limited, who represented the Group at the awards presentation ceremony (see photo 1).

In addition, five members of the Cheung Kong Group received individual recognition for their contributions to The Community Chest: Hutchison Whampoa Limited and Power Assets Holdings Limited were presented with the President's Award; Cheung Kong (Holdings) Limited was presented with the Award of Excellence; and A. S. Watson Group and Cheung Kong Infrastructure Holdings Limited were presented with the Award of Distinction (see photo 2).

The Cheung Kong Group has been giving support to The Community Chest for years not only by making donations, but also by appealing to the public for their contributions.

In May 2013, a donation hotline was launched again by the Group during the programme "Community for the Chest on TV" to raise money for The Community Chest's "Cheung Kong" Rainbow Fund. All contributions made through the hotline by the public were matched dollar-for-dollar by the Cheung Kong Group, raising a total donation of HK\$5.9 million.

During the year, members of the Group also participated in a number of fund-raising campaigns organized by The Community Chest, including the Corporate and Employee Contribution Programme, Walk for Millions, Dress Special Day, The Community Chest Green Day and Skip Lunch Day.
